School forms

Please remember to return all of the forms that were sent home with the students this week. Before doing so, please be sure to look through the handbook and become familiar with it before sending back the last page with the information completed.

Parents, please remember that there is a free/reduced lunch form. This form provides lunch either free or at a reduced price for those who qualify.

Those that qualified last year, must again fill out the paper work and have it turned in to the office within 30 days. All students are charged full amount until they are found to qualify for free or reduced lunch. Please take advantage of these opportunities if you can. Also, please send back the information for the AlertNow system. I hope to have this system up and running very soon.

General Information

If parents need to pick students up from school early for appointments, please remember that parents must report to the office and we will call the student from class while you are signing them out for the day.

Also, please remember that if your child must take a different way home than the usual way, there must be a note sent to the office/teacher or please call the office to inform us of your child's way home. If there is no note or call, we will have your child take their normal way home.

Basketball news
