Suspicious Vehicle

This morning on the south and west bus route driven by Ed Kramer, a dark blue or black vehicle was stopped at one of the bus stops. A female, with a female in the passenger seat drove the car. The passenger waved to one of our students to come to the car. The student did the right thing and turned and went back towards the house. No one got out of the vehicle. When the student and siblings looked toward the car, it was pulling away and the bus was close to the stop. The police have been notified and will be on patrol during bus routes. I do not want to alarm anyone, but I also do not want to take a situation like this lightly. I have spoken to all of the classes about this and I would appreciate your help in explaining safety to your students as well.

PTO News

Remember that the PTO Rummage Sale is this weekend!!! It goes on all day on Friday through 7pm and then Saturday from 8-11am. We will be cleaning up immediately after the sale. We will need help packaging all of the items not sold. We will be donating the unsold items to St. Paul UCC in New Baden. If anyone can help bring items to New Baden, it would be appreciated.

General Information

If parents need to pick students up from school early for appointments, please remember that parents must report to the office and we will call the student from class while you are signing them out for the day.

Also, please remember that if your child must take a different way home than the usual way, there must be a note sent to the office/teacher or please call the office to inform us of your child's way home. If there is no note or call, we will have your child take their normal way home.

If you know that your child is going to be missing school due to vacations, appointments or anything of that nature, please contact the office. We have to call all students that are absent and if we know ahead of time, we can save some time. It also helps the teachers to know who is going to be absent so that they can complete work before hand.
