End of Quarter

Remember that next week Friday is the end of the quarter. Many things are due before this date for the children, so please be sure to check your child's planner or folder for information.

Fire Drill

The Clin-Clair Fire department was here on Thursday to conduct a fire drill for our students. The students did a great job during the drill. The firemen then spoke to everyone in the gym about checking smoke detectors and about how important it is to conduct fire drills at home. Fires do not only happen at schools, they can also happen at home and

we need to be prepared. The Clin-Clair Fire Protection District has a website that they would like everyone to take a look at. The address is www.clinclairfire.org, please check it out. Remember to test your smoke detectors.
