## **PTO NEWS**

I cannot thank this community enough for the support that everyone showed at the PTO auction last Saturday night!!!! The PTO raised over \$20,000 for technology for the children of Damiansville!! The Board of Education, Ms. Maue and myself will be diligently working to purchase things that will make Damiansville the school that others want to come and see when it comes to technology!!!! Once again, thank you.

## **Pre-Kindergarten Screening**

A free screening clinic for children from birth to five years of age will be held in the gym on Thursday, March 26<sup>th</sup> from 12:00pm-2:30pm. The clinic includes checks of infant-toddler language development, motor coordination and social skills. Pre-school-aged children are also screened for preacademics skills, vision and hearing. Call the school for an appointment: 248-5188. The screenings take approximately 30 minutes and parents are provided with immediate feedback about their child's performance.
